

## PRE AND POST RIVER CRUISE

### BLACK FOREST HIGHLANDS

Hochschwarzwald Tourismus GmbH was founded in 2009 with the aim of marketing one of Germany's largest and most beautiful holiday destinations. The unique natural landscape of the Black Forest Highlands is situated in the heart of the Southern Black Forest Nature Park and is part of the "Biosphere Black Forest", the second largest of its kind in Germany close to the borders to Switzerland and France. Hochschwarzwald Tourismus GmbH represents more than 2,000 holiday accommodations with a total of almost 29,000 beds from campsites, private rooms, holiday apartments through to wellness and luxurious four and five-star hotels. For example, you will find a Michelin star-awarded hotel or a hotel that belongs to the "Small luxury Hotels of the world".
